

RAIN OUT POLICY

Please keep all wrist band in case of rainout.

What is considered a rain out? If Mother Nature rains on us before 50% of our racing is complete, Toccoa Raceway will honor your wristband ticket the following week only. What voids my wristband? If 50% of the feature races have been completed, there will be no refunds. (No Exceptions)

Pit Passes- If the racing has not been 50% completed, please keep your wristbands for the following week. If the last heat race has been completed, all wristbands are voided. There are no cash refunds given back for any reason. (No Exceptions)

Toccoa Raceway would like to remind all of our patrons that we are an outside entertainment facility, and like all outside entertainment facilities, we cannot control Mother Nature. We ask all of you to please read our rain out policy before purchasing your wrist band. All sales are final, and like all other outside entertainment facilities used for football, baseball, concerts, auto racing, and amusement parks, NO refunds will be given out to our patrons under any circumstances.
